

Saturday 7 December

**10am - 12pm
(drop in anytime)**

Greenspace on Corporation St, opposite
entrance to Bedford Ave, Stafford
ST16 3LR

**Staffordshire
Wildlife Trust**

Join us to spread wildflower seed to help nature in your area

Get involved in some hands-on nature restoration and celebrate the Stafford Brooks project. All are invited to help transform this small patch of land into a wildflower meadow for wildlife.

Our project team will be there to answer questions, and we will also have information about the goals for nature improvement in this area and how you can help.

You can also learn more on our website:
www.staffs-wildlife.org.uk/stafford-brooks

Pick up some
FREE wildflower
seeds to plant
at home too!

Help turn this...

...into this!
